

**PN MEDICAL RESEARCH FOUNDATION
APPROVED GRANTS 2010-2014**

	Name of Applicant	Research Description
2014	Miss Remai Parker Inst. Fundamental Sciences Massey University	Calcium dysregulation in skeletal muscle (Duncan Trust)
	Dr Jane Coad Inst.Food, Nutrition & Health Massey University	Paneth cells in inflammatory bowel disease (General Grant)
	Dr Helen Fitzsimons Inst. Fundamental Sciences Massey University	Investigating the role of moesin in memory formation (General Grant)
2013	Dr Mary Breheny School of Health & Social Sciences Massey University	Developing the health work and retirement study as a lifetime longitudinal study (General Grant)
	Dr Christopher Kendrick Inst. Food, Nutrition & Health Massey University	Cell free fetal DNA genotyping to predict fetal Rh(d) groups during pregnancy (General Grant)
	Dr Tracy Hale Inst. Fundamental Sciences Massey University	Does HP1a suppress invasion (Wilson Grant)
2012	Dr Els Acke Inst.Vet, Animal & Biomedical Massey University	Campylobacter spp.Gastro-enteritis diagnosis in NZ (General Grant)
	Dr Wei-Hang Chua Inst. Food, Nutrition & H/Health Massey University	The effect of omega-3 fatty acids on osteocyte-mediated mechanotransduction (General Grant)
	Dr Mark McCann Inst. Food, Nutrition & Health AgResearch Ltd	Tumour suppression in cancer: more than just loss of function (Wilson Grant)
2011	Dr Jonathan Bray Inst. Vet,Animal & Biomedical Massey Univ, Palm.Nth	Can Thalidomide Improve Survival in Canine (Wilson Grant)
	Dr Mark McCann Food Nutrition Genomics AgResearch Ltd	Proteomic and metabolomic regulation of prostate cancer progression (Wilson Grant)
	Dr Jasna Rakonjac Inst. Molecular BioSciences Massey Univ,Palm.Nth	Envelope stress in Escherichia coli (General Grant)
2010	Dr Emma Bermingham Dept. Food,Nutrition & Genomics AgResearch, Palm.Nth	Felis Catus: A novel model for investigating the food-microbe-host interactin during obesity (General Grant)
	Dr Andrew Sutherland-Smith Inst. Molecular BioSciences	Defining the Ruthenium Antitumor Drug Binding Site on Human Serum Albumin (General Grant)

Massey Univ, Palm.Nth

Dr Anna Ranta	MidCentral Electronic Decision Support Stroke
Dept.Neurology	Prevention Study (Wilson Grant)
MidCentral Health, Palm.Nth
